Summary

Result-driven Python Backend Developer with a solid foundation in Python, OOP principles, Django, and MySQL. Skilled in implementing modular architectures, secure data handling, and scalable backend solutions. Proficient in Git and industry-standard tools, with hands-on experience building full-stack web applications including hospital management and e-commerce platforms. Eager to contribute to impactful backend projects in agile, fast-paced environments.

Technical Skills

- Programming: Python, Java (Basic), HTML, CSS
- Frameworks: Django, Bootstrap
- Databases: MySQL
- Tools & Platforms: Git, GitHub, VS Code
- Soft Skills: Problem Solving, Communication, Team Collaboration

Projects

Hospital Management System | Python Backend developer

Tech Stack: Python, Django, MySQL, HTML, CSS, Bootstrap

- Developed a responsive hospital management web application using Django.
- Implemented features like patient registration, appointment scheduling, and medical history tracking.
- Utilized Django ORM for CRUD operations and MySQL for efficient data storage.
- Applied OOP concepts to ensure code reusability and maintainability.
- Designed clean UI using Bootstrap for better user experience.

E-Commerce Website

Tech Stack: Python, Django, MySQL, HTML, CSS, Bootstrap

- Created an e-commerce platform with user authentication, product listings, and shopping cart features.
- Used Django views and models to build scalable, modular backend logic.
- Integrated secure login and session management using Django's built-in authentication system.
- Handled orders and checkout flow with proper database transactions.
- Ensured mobile responsiveness and fast UI performance using Bootstrap.

Education

B.Tech in Computer Science Engineering

Sagar Institute of Research and Technology Excellence, Bhopal

Graduation Year: 2025 | CGPA: 7.38/10

Certifications

- Python for Beginners – Infosys Springboard
- SQL Fundamentals – OneResume.io
- AI for Beginners – HP Life
- Power BI – Sage Summer School (SSS)

Extra-Curricular Activities

- Attended National Student Conference – RAEMPS 2K25, SIRT Bhopal – Feb 2025
- Languages: English (Proficient), Hindi (Native)
- Hobbies: Reading mythology stories, Cooking, Travelling
